IS PER CENT STEEL DIVIDEND

BY PAN-AMERICAN PETROLEUM New York, Oct. 23.-Declaration of a tock dividend of 25 per cent by the the common and class B stocks of the company; an increase from \$1.58 to \$5 in the quarterly dividend on both common stocks, including that issued as a stock dividend, and a plan for an exchange of Mexican Petroleum com mon and preferred stock, was an-nounced tonight by Edward L. Dobeny, head of both companies. The plan was approved today at a meeting of the board of directors of the Pan-American

company.

Under the plan of exchange, there will be issued 2 1-2 shares of class British shares of the shares of the share of the share

will be issued 2 1-2 shares of class "B"
Pan-American stock for each share of
the common stock of Mexican Petroleum and one and one-tenth shares of
class "B" Jan-American for each Mexican Potroleum preferred,
Mexican Petroleum common stockholders are advised by Mr. Dobeny that
the exchange will net them an increased
dividend earning of \$12 a share annually over the present \$12 dividend on ly over the present \$12 dividend on that stock. In illustration of this he points out that the present authorized Upon the complaint of the said Henry Butterman, praying, for the reasons therein sot forth, for \$13,56 damages, now pending returnable before Arthur H. Mathewson, Esq., Justice of the Peace, within and for the County of Windham, on the 20th day of October, 1822, at 16 o'clock in the forenoon, and thence continued to the 11th day of November, 1922, at 2 o'clock in the afternoon, at the Town Hall in said Plainfield.

It appearing to and him the forenoon and the f

annum in dividends, provided the pres-ent rate is maintained. Under the original offer of the direc-tors of the Pan-American company, holders of Mexican Petroleum common stock were to be given two shares of non-voting Pan-American "B" for each one of Mexican Petroleum common. This offer was originally made in 1918 and at the close of 1920 the company stated that more than 75 per cent of the Mexican Petre stock had been exchanged. The Mexican Pete company had outstanding \$12,000,000 in non-oumulative eight per cent preferred mack and \$45,puny, as of June 30, 1922, owned \$9.

025,000 of the preferred and \$31.451,000 of the common. The surplus of the company on July 31, 1922 was \$37.454. standing \$50,077,500 in common stock (par value \$50) and \$20,099,250 in non-

voting class "B" common (par \$30).
The surplus as of September 30, 1922,
was \$42,599,365 and the camb on band.
\$25,997,066.

Payment of the stock dividend and
the extra cash dividend will begin with the current quarter. Merican Petroleum stock touched 234 1-2 today, its high of the year, but closed at 229 2-4. Its low of the year was 106 3-4, Pan-American A and B closed today at 91 7-8 and 91 3-4 respectively as compared with their respective lows for 1932 of 48 7-8 and 44.

Mr. Doheny, in his notice to stock-bolders, reports that present production is at the rate of 155,000 barrels daily and that the mouthly carnings of the Pan-American company to date have averaged \$6,000,000 in refertation of recent reports that the "salt water inva-sion" had caused a serious depreciation

New Haven, Oct. 21.—The tentative identification of the headless body of a man found in the East river in New York during September, as William Donohue, formerly of this city, was strengthened here today by Chester Graves, of this city, whose name and address were found on a slip of paper on the body. Graves told local police that he had given Donobue his card during August while both were working at a senshore resort. He said Dosobse was about 40 years old.

The name and address of F. G. Oaths, also of this city, was found on the body with Graves name. Graves said he knew Oaths but had not seen him for several years.
